Name:	Date:		Period:
	Classwork:	Summarize the 6 Oc	ean Zones
For each of the six ocean zones: A. Describe where it is located. B. Describe one organism adapta	ition that is us	eful to survive in that J	particular zone.
• Supratidal:			
*			
• Intertidal:			
• Subtidal:			
• Neritic:			
• Oceanic:			
• Benthic:			

•	Draw and label a quick diagram of the three tidal zones (supratidal, intertidal, subtidal)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)				
•	Draw and label a quick diagram of the ocean zones (neritic, pelagic, benthic, photic, aphotic)
